

REMARKS

Claims 1-4 are currently pending in the application, as amended. New claims 3 and 4 have been added to the application. New claim 3 is dependent upon original independent application claim 1 and further describes the eccentrically oscillating gear device of claim 1. Support for new claim 3 can be found in specification paragraphs 37, 42, 44, 47, 48 and in originally filed Figs. 2, 3, 7-9 and 11. New claim 4 is an independent claim and describes an eccentrically oscillating gear device of the present application. Support for new independent claim 4 can be found in originally filed application claim 1, in specification paragraphs 7, 27, 32, 33, 36-38, 42-44 and 47-49 and in originally filed Figs. 1, 2, 7 and 9-11. Based upon the above, no new matter has been added to the application as a result of the addition of new claims 3 and 4 to the application.

CONCLUSION

No new matter has been added to the application by this Supplemental Preliminary Amendment. Applicants respectfully submit that the present application is in condition for examination and such examination is respectfully requested.

Respectfully submitted,

Kenichi FUJIMOTO, et al.
